PRESS RELEASE

Of late, APSC has been receiving number of queries from aspiring candidates regarding introduction of offline system for the C.C.(Prel) Examination, 2016. It is reiterated that introduction of offline system has been resorted to as an exceptional onetime measure since most of the computer peripherals including server of the Commission have been seized by police in connection with the ongoing investigation. Keeping in mind the interest of the candidates, the APSC has introduced the offline system specifically for the C.C.(Prel.) Exam., 2016.

All candidates who have submitted offline applications (by hand) are given a proper receipt thereby confirming submission of applications. However, scrutiny of application will be taken up in due course.

Further, APSC will appreciate any suggestion which will enhance the functioning of the Commission.
